***NW Naito Mayor's Homeless facility
Permit & GNA VIOLATIONS - ongoing Public Health & Safety violations***

Mr. Wilson:

This is #51 in a series regarding the above captioned Prosper Portland property and your no-barrier homeless center operated by Transition Projects, LLC.

Today n4safe volunteers are reporting increased drug use right outside the front door of the facility (see photo attached)

Each letter is researched, written and sent from n4safe volunteers outlining the continuing permit and GNA violations at your NW Naito homeless facility.

The messages outline ongoing serious and flagrant violations of the permit approved by Prosper Portland regarding health, public safety and constant nuisance to the surrounding neighborhood.

N4safe volunteers again ask that you take action and fix the violations.

The Prosper Portland land use permit and the toothless GNA are both being violated:

- increased and constant DRUG USE - just steps from your homeless facility property
- loitering homeless both from the facility and/or other local facilities are just outside the NW Naito mayor's homeless facility blocking the sidewalk and harassing neighbors
- note the increased amount of garbage and human waste on the ground - again

Your no-barrier homeless facility continues to be **unsafe and unsecured**.

In n4safe's ongoing reporting of violations ***volunteers expose how your promises are never kept.***

Mr Wilson, n4safe volunteers are still awaiting some type of response to these simple questions about the operation of your facility.

On behalf of Neighbors4SafeSmartShelters (n4safe) volunteers, supporters and members over 1000 strong, together are submitting this letter to you and Council. This letter is a follow-up to the letters to Mayor Wheeler, you and Council members dated 12/17/23; 1/9/24; 3/15/24; 5/20/24; 5/27/24; 6/16/24; 6/30/24; 7/5/2024; 7/19/2024, 7/27/24; 8/11/24; 8/16; 8/27; 9/2; 9/15,

10/11; 11/18/24 2/2025; 4/13/25; 5/7/25; 5/13/25; 6/3/25; 6/8/25; 6/16/25; 6/19/25; 6/28/25; July 4, 2025; July 9, 2025; 7/14/25; 7/29/25; 8/7/2025; 8/20/2025; 9/3/2025; 9/16/25; 9/18/25; 10/3/25; 10/15/25; 10/31/25; 11/10/25 ; 11/17/25; 12/11/25 and 12/15/25; 1/18/2026; 2/3/2026; 2/17/206; 4/25/26; 4/30/26; 05/20/26 and now today (52 **letters reporting** recent violations/no response so far) to provide additional documentation of the ongoing operational failures and violations of your homeless facility.

These questions remain unanswered: the approved land-use Prosper Portland “permit” requires security for the operation.

-Who is providing the 24/7 security required?

-How does the community make contact when there are violations of the law and the GNA (which must be in operation or has the new GNA been finalized)? Please, what is the answer?

--Please provide an update on the new GNA situation: approved? and by whom? Discussed, presented or approved at the Council meeting when? And access to the minutes of the meetings held from January 2024 to October 2025 establishing the new GNA perimeters.

n4safe volunteers once again urge you to relocate the NW Naito facility's homeless residents and the former OHOH Navigation Center temporary tent in accordance with The Pearl District Urban Renewal District Plan and other legal documents that have been heretofore ignored.

n4safe volunteers urge you to relocate the temporary structure to a suitable and successful site like Bybee Lakes. *This is a safe and smart alternative that can be implemented without sacrificing shelter beds - but respecting neighbors.*

With respect,

-the volunteers at n4safe
